OFFICE OF PETITIONS

In re Application of
Jonathan Lee Sullivan
Application No. 09/477,954
Filed: January 5, 2000
Attorney Docket No. 38105.830037.US0

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed August 15, 2003, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned as a result of petitioner's failure to file an appeal brief (and fee required by 37 CFR 1.17(c)) within the time period provided in 37 CFR 1.192(a). As an appeal brief (and appeal brief fee) was not filed within two (2) months of the Notice of Appeal filed July 30, 2002, and no extensions of time under the provisions of 37 CFR 1.136(a) were obtained, the appeal was dismissed and the proceedings as to the rejected claims were terminated. See 37 CFR 1.192(b) & 1.197(c). As no claim was allowed, the above-identified application became abandoned on October 1, 2002. See MPEP 1215.04.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Telephone inquiries concerning this decision should be directed to Wan Laymon at (703) 305-9282.

The application file is being forwarded to Technology Center AU 2684.
